

EV 97773906105

CLAIMS

1. A wax emulsion for use on furniture, comprising:

(a) a first quantity of an oil-based wax; and

(b) a second quantity of a water-based wax;

(c) wherein said first quantity of said oil-based wax is blended together with said second quantity of said water-based wax.

2. The wax emulsion of claim 1 wherein said first quantity does not exceed one-half of the total volume of said wax emulsion.

3. The wax emulsion of claim 1 wherein said second quantity is not less than one-half of the total volume of said wax emulsion.

4. The wax emulsion of claim 1 wherein said oil-based wax includes a product presently available at the time of filing

marketed under the tradename of BRIWAX and is manufactured by Henry Flack (1860) Ltd. in Beckenham, Kent and imported by Henry Flack International Inc. PO Box 865110, Plano, Texas, 75086-5110, U.S.A.

5. The wax emulsion of claim 1 wherein said water-based wax includes a product presently available at the time of filing marketed under the tradename of name FINISH 2001 and is manufactured by Turtle Wax, Inc., Chicago, IL, 60638-6211.

6. The wax emulsion of claim 1 wherein said oil-based wax is selected from the list comprised of: a petroleum based furniture wax, a carnuba based furniture wax, or bees type of a furniture wax.

7. The wax emulsion of claim 1 wherein said water-based wax is selected from the list comprised of: a water based silicone wax, a water based polymer wax, or a water based silicon resin type of an automobile wax.

8. The wax emulsion of claim 1 wherein said first quantity does not exceed one-third of the total volume of said wax emulsion.

9. A wax emulsion for use on furniture, comprising:

(a) a first quantity of an oil-based furniture wax; and

(b) a second quantity of a water-based automotive wax;

(c) wherein said first quantity of said oil-based furniture wax is blended together with said second quantity of said water-based automotive wax.

10. The wax emulsion of claim 9 wherein said first quantity does not exceed one-half of the total volume of said wax emulsion.

11. The wax emulsion of claim 9 wherein said second quantity is not less than one-half of the total volume of said wax emulsion.

12. The wax emulsion of claim 9 wherein said oil-based furniture wax includes a product presently available at the time of filing marketed under the tradename of BRIWAX and is manufactured by Henry Flack (1860) Ltd. in Beckenham, Kent and imported by Henry Flack International Inc. PO Box 865110, Plano, Texas, 75086-5110, U.S.A.

13. The wax emulsion of claim 9 wherein said water-based automotive wax includes a product presently available at the time of filing marketed under the tradename of name FINISH 2001 and is manufactured by Turtle Wax, Inc., Chicago, IL, 60638-6211.

14. A wax emulsion for use on furniture, comprising:

(a) a first quantity of a furniture wax; and

(b) a second quantity of an automotive wax;

(c) wherein said first quantity of said furniture wax is blended together with said second quantity of said automotive wax.

15. The wax emulsion of claim 14 wherein said first quantity does not exceed one-half of the total volume of said wax emulsion.

16. The wax emulsion of claim 14 wherein said second quantity is not less than one-half of the total volume of said wax emulsion.

17. The wax emulsion of claim 14 wherein said furniture wax includes a product presently available at the time of filing marketed under the tradename of BRIWAX and is manufactured by Henry Flack (1860) Ltd. in Beckenham, Kent and imported by Henry Flack International Inc. PO Box 865110, Plano, Texas, 75086-5110, U.S.A.

18. The wax emulsion of claim 14 wherein said automotive wax includes a product presently available at the time of filing marketed under the tradename of name FINISH 2001 and is manufactured by Turtle Wax, Inc., Chicago, IL, 60638-6211.

19. A method for making a wax emulsion for use on a furniture, comprised of the steps of:

(a) providing a first quantity of an oil-based furniture wax; and

(b) providing a second quantity of a water-based automotive wax;

(c) mixing said first quantity of said oil-based furniture wax together with said second quantity of said water-based automotive wax.

20. The method of claim 19 including the step of limiting said first quantity so that it does not exceed one-third of the total volume of said wax emulsion.

21. The method of claim 19 including the step of applying a film of said wax emulsion over an article of furniture, allowing the film to dry, and then wiping the film off of the article of furniture.

22. The method of claim 19 including the step of applying a film of said wax emulsion over an article of furniture that includes a high sheen lacquer finish, allowing the film to dry, and then wiping the film off of the article of furniture.
